

ABOUT BSC

Welcome to your future!

Thank you for choosing Bismarck State College, North Dakota's Polytechnic Institution! Wherever life takes you, your education here will be the solid foundation you need to achieve your career and life goals. Our faculty and staff are committed to your success and available to help you along the way. Regardless of your path, you will be more successful if you get to know your professors and connect with your academic advisor. Take advantage of tutoring and career services, and always ask for help if you need it.

I also encourage you to enjoy college life as much as possible. Attend Mystic athletic events, join a club, participate in Student Life activities, enjoy the theater and music performances offered, and keep moving on the trails around campus, at the wellness center, or by taking part in intramurals.

You can keep your future in motion at BSC. We are here for you, and we are with you every step of the way. Whether you choose to be a full-time or part-time student, you are BSC. You represent the best of our communities, and you make BSC this community's college. I look forward to seeing you on campus.

Sincerely,

Brent Sanford
President
